

## Home Modification Resource

- **Home Modification Occupational Therapy Alliance (HMOTA)**

- Website: [www.hmota.net](http://www.hmota.net)
- The Home Modification Occupational Therapy Alliance (HMOTA) is an organization of occupational therapists throughout the United States that specialize in home modifications. The occupational therapists in the Home Modification Occupational Therapy Alliance are dedicated to on-going learning of leading edge technology and research in the realm of home modifications, safety, technology, products, design and fall prevention.

### Find an OT

HMOTA has home modification occupational therapists throughout the the United States, Canada and the world. If you need an OT that specializes in home modifications, we've got you covered.

Let us know what you need. If it's home modifications for someone who is aging (aren't we all) or with a disability, that is what we do. We've got you covered.

Fields marked with an \* are required
